

## LAREDO TRANSIT MANAGEMENT INC.

## Application for Certification of ADA Paratransit Eligibility

The Americans With Disabilities Act of 1990 (ADA) is federal legislation prohibiting discrimination against people with disabilities. One of the overriding principles of the ADA is to ensure that all people have equal access to public transportation. In order to ensure this access, public transit vehicles and facilities are required to be fully accessible and usable by persons with disabilities. For people who are unable, due to a physical or mental disability (including mobility or cognitive impairments) to independently use the public fixed-route transportation regular bus, paratransit services must be made available.

If you believe that you have a disability (including mobility or cognitive impairments), which prevents you from independently using public fixed-route transportation facilities and/or vehicles, please complete this application form and return it to the LAREDO TRANSIT MANAGEMENT INC. office located at the Transit Center downtown office. The questions on this application are designed to provide assistance in determining your functional abilities.

Your completed application will be reviewed and a decision regarding your eligibility for paratransit services made within 21 days. You may be found eligible for paratransit services for all of your travel needs, eligible (based on your abilities) for some requests but not for others, or you may be found capable of using the fixed-route facilities and vehicles. If you disagree with the decision made regarding your eligibility status, you may appeal the decision. It is possible that upon review of your application, you may be asked to provide additional information. This may include contacting a licensed professional familiar with your functional abilities, a phone or personal interview, or a physical or cognitive functional evaluation.

All information regarding the certification process and paratransit services will be made available in accessible formats (i.e. Large Print, Audio Tape, CD, other) upon request.

#### All information requested throughout the certification process will be kept confidential.

It is important to complete all parts of this form -- type or print, please. Applications that are not complete or clearly written will be returned, which will delay the eligibility determination process.
