### Federal Section 5310 Program 2021 Call For Projects

Laredo Transit Management Inc.-El Metro administers the Federal Transit Administration's (FTA) Section 5310, Enhanced Mobility of Seniors and Individuals with Disabilities Grant Program for the Laredo Urbanized Area. The goal of the program is to enhance mobility for senior citizens and people with disabilities by providing alternatives when the transportation service is unavailable or inappropriate and expanding the transportation mobility options available.

The Section 5310 program was established by the Federal Transit Administration as a discretionary capital and operating grant assistance program for approved projects.

Laredo Transit Management Inc. - El Metro is now accepting funding applications from eligible applicants who wish to apply for grant funds. Section 5310 funding application and additional information can be found at [www.elmetrotransit.com](http://www.elmetrotransit.com).

It is a competitive grant process. If an application is selected and the FTA approves the grant then the successful applicant will enter into a contractual agreement with the City of Laredo and Laredo Transit Management Inc. - El Metro.
